This has kept me informed of current events in the Corrosion field</p>	ABC

REFEREES

Any Professional Member or Fellow of the Institute of Corrosion, preferably holding CSci or CEng, who has known the Applicant personally for a minimum of three years, may act as Referee. Two Referees are required.

To be completed by the Referees personally after verifying the content of this application.

Referees should initial in the margins of this form and the copied certificates to indicate those statements for which they can testify.

I confirm that I have read the Criteria for Chartered Scientist (Page 3-5 of this application form) and I recommend that the applicant, to the best of my knowledge and belief, is a fit person to be registered as a Chartered Scientist through the Institute of Corrosion. I agree on request of the Institute of Corrosion to provide a confidential written reference.

APPLICANT'S UNDERTAKINGS

I wish to apply for registration as a Chartered Scientist and declare that the information I have given in this application is, to the best of my knowledge, accurate and true. I agree to abide by the Codes of Professional Conduct issued by The Institute of Corrosion (also available at <http://www.icorr.org>) and accept that any breaches of the Rules of the Code of Professional Conduct will be dealt with under disciplinary procedures.

Signature of Applicant:		Date	
-------------------------	--	------	--

Data Protection: The Institute of Corrosion will transfer the information submitted to the Science Council. If your application is successful details will be held on the Science Council register. The publicly available register will include your name, The Institute of Corrosion, and your Chartered Scientist number. The Science Council may wish to use the information you supply in order to be able to communicate with individuals effectively. Chartered Scientists have the right of access to the personal data held on them by the Science Council and the right to prevent its use for direct marketing services. The Science Council may, from time to time, execute mailings on behalf of supporters of goods and services considered to be relevant to professional interests.

If you wish to receive this information, please tick the box

Payment

Please enclose the required registration and administration fee of £75 – applications will only be processed if registration and administration fees are paid in advance and in full. Please note that there is a subsequent annual registration fee of £30.

Payment by cheque

I enclose a cheque crossed and made payable to
The Institute of Corrosion for £75

Payment by credit card

Visa/MasterCard/AMEX only

Please debit my credit card Visa/MasterCard/AMEX (delete as appropriate)
Amount £75 + £2.50 administration fee for use of credit card
