CED Working Day and Symposium on Corrosion Aspects of Asset Integrity Management and Lifetime Extension

Tuesday 26th May 2015

Venue:
Palm Court Hotel
81 Seafield Road
Aberdeen
AB15 7YX

T: 01224 310351
E: palmcourt@g1group.com

Directions and details of location, parking and accommodation are at:

http://www.thepalmcourthotel.com/

A One Day Symposium organised by the Corrosion Engineering Division and the Aberdeen Branch of the Institute of Corrosion
Institute of Corrosion’s Corrosion Engineering Division
SYMPOSIUM ON
‘CORROSION ASPECTS OF ASSET INTEGRITY MANAGEMENT AND LIFETIME EXTENSION’

This one day meeting will be the latest in a series of recent working days of the Institute of Corrosion’s Corrosion Engineering Division. The meeting will be held at the Palm Court Hotel, Aberdeen. This year’s meeting is focussed on the corrosion aspects of lifetime extension and asset management across industry, particularly the oil and gas, and nuclear industries, as shown in the programme below. After the talks, the meeting will break up into the individual CED working groups. In parallel there will be an exhibition and demonstration of equipment to visit. Where possible, agendas for the working group meetings will be published separately in advance on the CED web site (http://www.icorr.org/about_icorr/technical_divisions.phtml). This working day will be a good opportunity to network with other corrosion professionals from different industry sectors, to learn about some of the latest developments in the field of lifetime extension and asset management. For information on becoming involved with CED working parties please see the CED web site or contact the Chair of CED, Nick Smart (nick.smart@amecfw.com). For registration to attend the meeting, please complete and return the registration form overleaf.

Provisional Programme

Registration Form for CED Working Day  
Tuesday 26th May 2015

TITLE…………………………NAME…………………………………………………………………………………

ORGANISATION…………………………………………………………………………………………………..

ADDRESS………………………………………………………………………………………………………………
                                                                                                     ..........................................................................................................................................................
                                                                                                     ..........................................................................................................................................................

POSTCODE…………………………………………

TELEPHONE………………………………………… FAX……………………………………………………………

EMAIL…………………………………………………NATIONALITY………………………………………………

For planning purposes please indicate with a tick which working group meeting you are most likely to attend on 26th May. The list below shows the working group chairs, but not necessarily the chairperson on the day. Some working group meetings may merge, depending on demand. The meeting times will be staggered on the day to allow for visits to the exhibition and to attend the equipment demonstrations:

- Monitoring (chair Bill Cox)
- Nuclear (chair Nick Smart)
- Coatings (chair David Horrocks)
- Oil-field chemicals (chair Peter Allison)
- Water treatment (chair Pam Simpson)
- Cathodic protection (chair Ross Fielding)
- Corrosion in concrete (chair Ali Sharifi)

Payment
The cost of attending the meeting, including VAT, will be £100 (members of ICorr), £120 (non-members) and £60 (students). Please note that it is not possible for ICorr to invoice you for the meeting fee. Please send cheques to the address below payable to “Institute of Corrosion” or alternatively enter card details below. Advanced booking is required. The meeting fee includes refreshments, namely coffee, tea, biscuits and a lunch.

Credit Card Authorisation
Please debit my Credit/Debit Card (delete as appropriate). Please note there is a £3.00 fee for payment by Credit Card (N.B. American Express is not accepted)
