SUSTAINING COMPANY MEMBERS DIRECTORY

THE GUIDE TO THE UK’S BEST CORROSION PROFESSIONALS

Directory Sponsor

70 years of CATHODIC PROTECTION CO LTD
The benefits of becoming a sustaining member

The Institute of Corrosion is the largest community of corrosion professionals in the UK, with an increasing international presence. Becoming a member of the Institute unlocks access to cutting-edge knowledge and learning resources for your company and staff, opening doors to a growing global network of experts. Apart from the prestige value and increased exposure for your company or organisation, Sustaining Company Membership offers enhanced marketing opportunities. Your company will join the growing number of influential companies in the corrosion protection industry, as well as showing your support for the premier Corrosion Institute.

How membership can work for your company

As part of your membership, there is the opportunity to submit a free case study to appear in Corrosion Management magazine. In addition to the detailed listing in this Directory, there is a free up-to-date listing in every issue of the magazine, and a searchable list on the Institute website. You are entitled to nominate two staff members for free membership as Affiliates of the Institute, and you can use the ICorr logo on your company literature and marketing material. You will receive a free ICorr-crested Certificate of Sustaining Company Membership for public display in your offices, and benefit from reduced rates on advertising in the magazine.

Joining couldn’t be easier

There are two levels of membership, Sustaining Company Member and Gold Sustaining Company Member. Sustaining Company Membership costs £396 + VAT per year, and Gold Sustaining Company Membership is £766 + VAT per year. Gold Members can nominate three staff for free membership as Affiliates, as well as having a Gold Member icon in the various listings. To apply, just fill out the online form at www.icorr.org

This directory will be published once a year and distributed to our 1,500+ members with the January/February issue of Corrosion Management magazine. An up-to-date listing will be published separately in each issue of Corrosion Management, with a searchable listing also available on the Institute website www.icorr.org

A word from the President

"The Institute of Corrosion is extremely grateful for the support of our Sustaining Company Members. You are part of an elite network of companies that have a special place at the heart of the Institute, nurturing the career development of our Affiliates and underpinning our core mission to promote excellence in corrosion science and engineering. I would like to take this opportunity to thank you once again for your continued support – it is very much appreciated."

Dr Gareth Hinds
President, Institute of Corrosion
